

List of d-con.net Clients

The clients of d-con.net can be found across all industries and among enterprises of all types and sizes. All of them have one common characteristic: Most of our customers are multinational organisations. The CTOs of these companies benefit most from our many years' experience working with distributed IT environments.

Clients of the d-con.net Group of Companies

Our uncompromising customer focus has gained us the trust of several renowned clients over the past few years. This is an excerpt of our list of customers serviced by our three companies in Austria, Germany and Switzerland.
